# WELCOME

A Message from the Executive Director:

On behalf of AzCHER, I am pleased to invite you to participate in our Annual Conference, scheduled for June 9-10, 2026, in the Phoenix-Metro area. This year's theme, Many Voices, One Mission: Advancing Healthcare Preparedness Together, reflects our shared commitment to strengthening Arizona's healthcare resilience through collaboration, innovation and community engagement.

Each year, this event engages professionals dedicated to emergency preparedness from across Arizona's healthcare and community partner network. AzCHER's network includes more than 1,000 member organizations, all of whom are invited to participate in this statewide gathering. Attendees represent a broad spectrum of partners, including acute care, long-term care, public health, tribal health, EMS, and other community-based healthcare organizations. The conference offers a unique opportunity to connect with a diverse network of stakeholders working toward a common mission.

Your consideration of sponsorship for this important event is deeply appreciated. Sponsors play a vital role in supporting the education, networking and strategic planning that empower our healthcare and emergency response partners statewide. Together, we can ensure that Arizona remains prepared to meet the challenges of tomorrow.

Thank you for your partnership and for investing in the future of healthcare preparedness.

Sincerely,

**Robin Oothoudt**
